

Welcome

Welcome to The Stag Inn, as you will see in the following pages, we try to offer a wide ranging menu to suit all tastes; from traditional local and English cuisine to more diverse recipes with a touch of originality.

Your main course will be served with a choice of either; potatoes and fresh seasonal vegetables, home-fried real chips and garnish or jacket potato. (Unless otherwise indicated)

All our meat, poultry, fish, vegetables and potatoes are sourced from local suppliers; examples of this being our Cumbrian beef and steak from Tony Harrison Butchers of Cockermouth, and our award winning Cumberland sausage from Walsh's Butchers of Maryport.

All our dishes are freshly made on the premises and cooked to order, as are our soups and sauces – you will find no 'ready-made' meals here, we leave that to others! Several of our main courses are also offered in smaller portions as indicated by an (SP) icon.

We also offer a variety of 'Chef's Specials' which are rotated on a weekly basis. These are often a sounding board for new ideas, or can reflect a special occasion such as a 'Saint's Day'.

A selection of vegetarian meals are also available and, in compliance with the latest guidelines, a menu showing all allergens present in our dishes.

On behalf of the team at The Stag Inn, let me extend a very warm welcome and hope you enjoy your experience with us.
